

PRODUCTION LABOURERS

Winton Homes Wall and Truss Plants

Master New Skills In A Work Environment Focused on Team Work and Growth!

With over 40 years of experience, **Winton Homes & Cottages** is a recognized leader in the design, manufacturing, and distribution of top-quality prefabricated home packages and commercial building components for a growing market throughout Western Canada, Washington and Alaska. Our **Production Labourers in the Wall and Truss Plants** produce exceptional quality prefabricated wall, floor, stair, roof, and truss components within specified timelines, many of which are used in commercial as well as residential applications.

While our focus is meeting the needs of our customers, our success is driven by our people. We are now in a demanding phase of the build year and are looking for motivated individuals to assist with our expanding business!

Our Production Labourers will be primarily responsible for:

- Working safely at all times, following WorkSafeBC regulations and Company safety policies/procedures
- Building prefabricated home packages and commercial building components efficiently using hand and power tools
- Loading, unloading and moving products and materials
- Following production schedules as directed by Supervisor/Chargehand
- Keeping all equipment in working order and reporting any deficiencies to the Supervisor/Chargehand in a timely manner
- Submitting reports and records pertaining to safety, quality, and production
- Performing product quality checks on an ongoing basis.

You are the ideal candidate if you possess the following qualifications, skills, and attributes:

- Have a safety conscious mindset
- You have good manual dexterity and enjoy consistent physical activity including walking, standing, reaching, pulling and lifting up to 50 lbs
- Previous construction/ manufacturing experience with the safe operation of hand/power tools is preferred
- Are detail oriented with strong written and verbal communication skills
- Demonstrate initiative and are able to work cooperatively and efficiently in a fast paced, team environment.

These positions are unionized (USW Local 1-2017) with the starting wage is **\$21.85 per hour with advancement to \$27.38 per hour** based on competency and experience. Comprehensive extended health, dental, and vision care coverage are provided along with RRSP matching. Shifts are eight (8) hours, Monday to Friday. With manufacturing taking place mostly indoors, employees enjoy a work environment protected from the elements, however there are certain tasks that must be completed outdoors.

If you are interested in joining a well-known organization that is committed to sustainable growth and innovation, please submit your cover letter and resume to hr@wintonhomes.ca by **no later than 4:00 pm, Wednesday, April 30, 2025**. Please quote **"Production Labourers"** in the subject line.
